The bank  
for a changing  
world

## WHO ARE WE?

### BNP PARIBAS GROUP

BNP Paribas Securities Services is a part of BNP Paribas Group. We specialize in servicing operations involving securities services and investment funds for institutional investors and financial institutions. We operate in thirty-four countries across five continents. We are one of the five biggest custodian banks in the world.

## OUR OPERATION IN POLAND

We have been active in Warsaw since 2008 and since 2010 we have been cooperating with offices across Europe, rendering services within the Group. Thanks to innovations, new technologies and the high quality of our services we are developing dynamically. During the last few years the number of our employees has grown, and we plan to grow further. We are searching for ca. 250 new employees annually and are planning a fast development in the future.

## WHAT DO WE DO?

Our operations include operating bank accounts, rendering securities and accounting services, confirming the value of assets, and settling cash and funds. We also operate purchase and sale orders for our fund units and verify that our operations comply with investment policy.

## WHAT DO WE OFFER?

Our employees are offered extensive training opportunities: you can develop your social skills as well as your knowledge of financial markets and financial instruments. We also support your learning of foreign languages and participation in various community projects. You will also have the opportunity to attend training in other countries.

Would you like to contribute to and create one of the most dynamically developing financial centres, meet interesting people and broaden your knowledge of financial markets?

**BNP Paribas Securities Services is the perfect place for you!**
